## 38" PANEL FAN -EC MOTOR

**APP**

**Control**

- ◎EC MOTOR, bring sgood heat emission,high efficiency(direct drive),big torque,long-life usage
- ◎Balanced4 stainless steel blades
- ◎Housing is made from heavy-duty, impact resistant polyethylene.One shot Roto-molded process brings the housing more strength and long-life usage, no rust forever
- ◎Large air volume,less noise gives more comfort to animals
- ◎With VFD,can be contoller by APP, PC automatically as the temp and humidity
- ◎Voltage,housing color can be customized
- ◎APP control, need to purchase gateway(DZJ902) and temperature sensor(DGY601485)
